Education

University of Cincinnati

College of Design, Architecture, Art and Planning
1997-2002: Cincinnati, Ohio

Bachelor of Science in Design, Magna Cum Laude (GPA: 3.8)

Digital Design Program

Experience

Senior Designer, hyperQUAKE

February 2003 – Present: Cincinnati, Ohio

Senior member of interactive group in multidisciplinary organization (including interactive and print teams). Designed web sites, interactive promotional campaigns, games and other media for a variety of entertainment, corporate, and B2B clients. In addition to design tasks, responsibilities included supervising team members, client relations and project management. Select clients include Deloitte & Touche, HGTV, and Warner Bros.

Lead Designer, US Digital Partners

August 2002 – February 2003: Cincinnati, Ohio

Primary designer in start-up environment. Tasks included site planning, interface design, and development.

Co-Op, Warner Bros. Online

Spring & Fall 2001: New York, New York

Designed and developed various assets for the studio's online presence, including Flash design and animation for promotional film web sites.

Co-Op, Agnew Moyer Smith

Spring & Fall 2000: Pittsburgh, Pennsylvania

Worked in a team-oriented design studio environment to develop and implement Internet-based design solutions for a variety of clients. Responsibilities included interface and layout design, structure mapping, documentation, and production.

Co-Op, Kinetic Vision

Spring & Fall 1999: Cincinnati, Ohio

Executed 3D animation; subjects included product visualization and demonstration as well as architectural walk-throughs. Also edited video presentations and completed web-based design projects.
